Description

2004 Riviera M430 Available Now !! Located at our marina at Birkenhead Point, Berth included if required !!

The Riviera M430 is a highly regarded Australian-built sports cruiser, celebrated for its offshore capability, spacious entertaining areas and comfortable accommodation. This well-presented example has clearly been cared for and offers an excellent opportunity to step into one of Riviera's most popular models.

Powered by twin MerCruiser big block V8 petrol sterndrives with low hours for their age, the M430 delivers strong, reliable performance and smooth cruising whether enjoying Sydney Harbour or venturing further along the coast. A bow thruster adds confidence and ease when manoeuvring in tight marinas, while upgraded Simrad electronics at the helm.

The M430's cockpit is one of its standout features, offering a large and social entertaining space that flows seamlessly to the swim platform. Whether hosting guests, enjoying time at anchor or heading out for a weekend cruise, the layout provides excellent versatility and comfort.

Below deck, the interior is bright, spacious and well designed for extended stays aboard. The saloon features a well-appointed galley and a generous dinette that comfortably seats up to six. Accommodation is arranged across two cabins, with a forward master cabin featuring a double berth and an aft cabin with both single and double bunks.

A large bow daybed provides the perfect place to relax at anchor and enjoy the harbour.

Combining Riviera's renowned build quality with practical upgrades and low engine hours for its age, this M430 presents as a fantastic opportunity for buyers seeking a capable and versatile cruiser ready to enjoy immediately.
