## Description

### New Listing - 2010 Riviera 5000 Sport Yacht | Twin Cummins Zeus Drives

Sleek, stylish, and packed with features — this 2010 Riviera 5000 Sport Yacht is an exceptional example of Riviera's renowned craftsmanship and design. Powered by twin Cummins QSC 600 Zeus pod drives, she offers unmatched handling, smooth joystick docking, and excellent fuel economy. With just over 1,000 hours and a full, up-to-date service history including brand new aftercoolers, this vessel is turn-key and ready for her next adventure.

Featuring the desirable two-cabin layout, the interior is intelligently designed to maximise space and comfort. The full-beam master stateroom is complemented by a spacious guest cabin, two bathrooms, a large galley, and an open-plan saloon that flows seamlessly onto the cockpit. Whether you're cruising with the family or entertaining guests, this layout has you covered.

She's also impressively optioned, boasting top-tier electronics and practical upgrades throughout.

#### Notable Features:

- Twin Cummins QSC 600 Zeus pod drives with joystick control
- Raymarine twin screen navigation system: radar, GPS, plotter, sounder
- Cummins autopilot & Skyhook position holding
- Satellite TV system and reversing camera
- Brig Falcon 300 tender included
- Stainless steel cockpit rails for added safety
- Karcher water blaster, companionway fridge, and ducted vacuum system
- Reverse-cycle air conditioning, electric sunroof, large swim platform & more
- Ducted vacuum system
- Lower lounge converts to twin single beds

This boat has been meticulously maintained and presents in clean and tidy condition. Lying on at our marina here at Birkenhead Point, she is available for immediate inspection and offered by a motivated vendor who is keen to see her sold.

If you're in the market for a well-optioned, premium Riviera sport yacht — this one deserves your attention.
