Description

2011 Horizon E84

Offered for sale is this 2011 Horizon E84, a highly capable and spacious motor yacht combining Horizon build quality with a practical cruising layout and strong performance. Powered by twin MAN 1,550 HP diesels, she offers a maximum speed of approximately 21 knots, supported by a well-equipped systems package designed for comfort at anchor and confident coastal cruising. Importantly, she has been well maintained, with key servicing completed recently.

The flybridge is fitted with clears, extending usability in varied weather and making the space ideal for entertaining, relaxing, and enjoying excellent visibility underway. At rest, she is equipped with a rest stabilizer that can be operated via a hydraulic power pack (generator-powered), helping to keep time at anchor more comfortable.

Accommodation is generous and flexible, with three cabins in the main yacht plus two cabins in the crew quarters, making her well suited to owners who want extra space for family and guests, or those who prefer dedicated crew/overflow accommodation for extended trips.

A hydraulic swim platform (650 kg capacity) provides easy water access and simplifies launching and retrieving equipment. Included with the sale is a BRIG 5.0m centre console tender with a hardtop, powered by a 70hp Yamaha, plus two Sea-Doo Spark 3UP HO jet skis—a great setup for exploring bays, beach runs, and day trips from anchor.

Onboard equipment includes two water makers for added self-sufficiency, and shore power is configured for 32amp, 3-phase 415V with an isolation transformer fitted.

Service highlights:

- Main engines: annual service completed December 2025 (approx. 3,200 hours, subject to normal use)
- Generators x2: serviced June 2025 (approx. 7,000 hours starboard / 7,600 hours port)

With impressive volume, a proven hull, and a strong equipment inventory, this Horizon E84 represents an excellent opportunity for buyers seeking a well-specified yacht in a sought-after size range.

Key Specifications

- Model / Year: Horizon E84/2011
- LOA: 27.28 m (89' 6")
- LWL: 22.047 m (72' 3.99")

- Stabilizers: ABT Trac 300,9 sq ft fin

What she's perfect for

This Horizon E84 is an ideal choice for buyers who want a serious, comfortable cruising platform with the volume to host family and friends, plus the practicality for longer stays aboard. With at-rest stability, excellent outdoor living on the flybridge, a well-maintained service profile, and a complete tender and jet ski package, she's perfectly suited to owners who value easy weekends, extended coastal adventures, and entertaining at anchor—without needing to add the big-ticket extras after purchase.
