Description

IN STOCK!!! Incredible versatility and comfort are hallmarks of the 276 Dual Console. A 6th-generation VDS hull ensures a soft, dry ride, while the spacious, ergonomic deck design and an array of premium features make it equally well-suited for offshore fishing and fun-filled days with family. Count on Sailfish to get you home safely, every time. With more than 30 years of design and engineering expertise, Sailfish combines time-tested boatbuilding techniques with the latest in marine technology to deliver a simply superior product. The secret to our boats' lasting durability lies in our Sailtech Construction method, while our exclusive VDS hull design delivers unsurpassed ride quality. A key component of Sailtech Construction is the precision-built stringer system that forms the backbone of every Sailfish boat. Hand-laid and injected with closed-cell foam, then wrapped in fiberglass mat, these stringers provide lasting strength and superior integrity without extra weight.
