Description

Sleek and stylish, the 409 Valor offers all the enhanced accommodations you would expect in a luxury performance cruiser. From a private head with shower stall and separate master berth with queen bed and hull side windows to a forward cabin section that easily converts to a large double berth.

Nevertheless, none of it comes at the expense of the most advanced technology and fabrication techniques that deliver an incomparably smooth, dry ride with unparalleled performance.

It is packed with thoughtful design features like a hull side dive door with a step ladder and grab rails for divers and swimmers. Entertaining is elevated with cozy, custom seating and a stylish wet bar. At the same time, serious sport fishermen will take note of the baitwells, rod holders, tank storage, tackle boxes and raw-water washdown.
