Description

Now available, this 2025 Boston Whaler 365 Conquestrepresents the pinnacle of offshore capability, comfort and innovation in the dual-console segment. Highly optioned from factory and built for serious offshore use, this example delivers exceptional performance, advanced technology and refined onboard living.

Powered by twin Mercury 600hp V12 outboards, the 365 Conquest offers effortless power and control, complemented by integrated joystick docking, autopilot and bow thruster for precise manoeuvrability. A gyroscopic stabiliser further enhances comfort both underway and at rest, making extended time on the water more enjoyable in all conditions.

At the helm, a full Simrad navigation package featuring dual 19” NSO displays plus an additional 19” screen provides advanced navigation, system monitoring and vessel control. The hardtop design with full side glass, electric windshield vents and retractable sunshade ensures protection and comfort across varying weather conditions.

Designed to transition seamlessly between offshore fishing and premium entertaining, the 365 Conquest features a well-equipped summer kitchen with grill and freezer, cockpit fold-out seating, premium audio system and generous deck space. Fishing capability is equally strong, with dedicated rod storage, live bait tank and a practical deck layout suited to serious use offshore.

Below deck, the air-conditioned cabin offers a refined and comfortable retreat, enhanced by the cabin comfort package, galley cooktop and VacuFlush toilet system. With overnight capability and thoughtful design throughout, this vessel is perfectly suited to extended coastal cruising.

Factory Fitted Options Include:

- Twin Mercury 600hp V12 outboards
