Description

PIRELLI 47 doesn't fit into a category. It redefines it.

Available in Open and Closed versions, it embodies two distinct ways of experiencing the sea.

A Maxi-Rib built for those who won't settle for compromises. Innovative and versatile, always ready to own the sea.

PIRELLI 47 sets a new standard.

Its taut lines, dynamic proportions, and purposeful details speak of power, yet never compromise on comfort, style, and unmistakable identity.

Every feature is engineered to be both high-performing and iconic. No detail is secondary.

RELLI 47 introduces a new way of experiencing the sea, with two distinct models: Open and Closed.

Two yachts designed for different needs and navigation styles.

The Open version features an extended hard top that provides protection from the sun without compromising freedom of movement.

The Closed version uses sliding glass panels to create a second protected living space, while maintaining uninterrupted bow-to-stern access thanks to its walkaround layout.
