Description

PRICE REDUCTION. This 2006 model long range cruiser has just been reduced, she is an excellent example of the popular Ocean Alexander 48E Classico. Powered by twin 425HP Cummins, she runs economically and comfortably at a cruise of 9-10 knots however is capable of a 20 knot sprint. Featuring dual helm stations, the vast flybridge is an enormous area with loads of seating and wetbar, just perfect for entertaining all the family and friends. The easy walk around teak decks lead you safely and easily to the bow area. On entering the generous open plan saloon you immediately appreciate the beautiful and detailed timber finishes and big opening windows throughout. The galley is open, spacious and fully equipped situated opposite the downstairs helm station and wheelhouse door. Forward are the two cabins, the master with ensuite. The inventory includes, extra refrigeration, door to downstairs helm, Raymarine electronics package, convertible lounge to a double, watermaker, washing machine/dryer, air conditioning throughout, bow thruster, tender, BBQ, covers and more. Many recent upgrades, including new clears, bow lounges, bow and stern euro sun awnings, BBQ, tender outboard, cameras and more. All meticulously maintained, recently fully serviced, antifouled, propspeed and polished. This very loved and proven long range cruiser is now reluctantly offered for sale due to owners relocation. Inspection will not disappoint.
