## Description

NEW MODEL!!! DIESEL POWERED!!! IN STOCK

The brand new Legend 2700 was built on the proven DNA of Rayglass' most awarded & popular boat ever, the 2500. We've taken what worked, improved it and added modern touches.

The result is a spacious & capable vessel perfect for the adventurous lifestyle - whether you're cruising with family, fishing out deep, or overnighting.

This boat features a signature unsinkable Rayglass hull design, and rides smooth and true in any water. Because of its generous length there's plenty of room for comfortable fishing & overnighting.

The Legend 2700 is the ultimate enabler - with one of these on your 4000kg trailer you can go anywhere, do anything, and bring the whole crew along for the ride.

You can treat the Rayglass Legend 2700 like your second home on the sea - it's got everything you need to go out and stay out in complete comfort.

That includes a spacious cabin, generous galley kitchen, with plenty of bench space, plus a sink with running water, cooker, fridge, and separate toilet.

The extended hardtop offers superior weather protection and 360° visibility through a flat glass windscreen, and plenty of light thanks to a sunroof as standard.

Choose between an outboard or go for an inboard and gain an extensive swim platform.

Display boat includes- Mercury 270HP V6 Diesel Engine W/Mercruiser Bravo 3 Sterndrive Mercury Vessel View & Digital Throttle Bow Thruster
