Description

We asked you what the perfect Rayglass looked like and we listened. Then we designed the 3000: the ultimate weekend cruiser, built to take you anywhere in complete comfort and style.

With a dry tow weight of only 4.25t and a 2.5m beam this beast can be towed up and down the coast ready to get out on the water!!

This boat is SeaKeeper Ready and can have additional fuel tanks added for even more range!! Advanced Rayglass design means this vessel rides smooth and easy in any conditions, and thanks to a longer hull the 3000 is one of Rayglass's most spacious and capable vessels. There's plenty of room for the whole family, or for overnighting with all the comforts of home.

Whether you're chasing big game fish, diving, spending long weekends on the water, or cruising with the family - the Rayglass 3000 does it all with style.
